Continuation of Substance of Interview including description of the general nature of what was agreed to if an agreement was reached, or any other comments: Applicant's representative and Examiner discussed 101 issues and 102 issues; applicant was advised to amend claims discussed accordingly, to incorporate more of the specification (i.e. dialog box, list of electronic messages and removal of the term periodically). If amendments are made accordingly they will overcome the prior art of record (i.e. Gross) as a 102b; however the examiner will have to still conduct further search and examination to determine to what extent Gross no longer reads on the applicant's case.
